**Materials Required:**

- Computer with internet access and printer

## Learner Information

Online courses are becoming a reality for many people today. Quite often it may be the only opportunity to advance an educational goal. In this task you will sign up for an online course that does not have a cost associated with it. This online course is a step towards taking the Academic Career Entrance Certificate (A.C.E.) or, if you are only in need of one course such as apprenticeship math you may decide to follow through with that.

Perform a keyword search for the e-Channel website and click on the link.
