Main Competency/Task Group/Level Indicator:

- Find and Use Information/Interpret documents/A2.2
- Understand and Use Numbers/Manage time/C2.2
- Understand and Use Numbers/Use measures/C3.2

Materials Required:

- Pen/pencil and paper and/or digital device
- Calculator or digital device with calculator function

Learner Information

Maps are useful tools to get us where we want to go without getting lost. They also help us save time and fuel. If you travel for work, you may need to calculate distances and submit travel claims. In North America, both the metric system and the imperial system may be used to calculate distances.
