**Task Description:** The learner will solve word problems involving measurement of time.

#### Main Competency/Task Group/Level Indicator:

- Understand and Use Numbers/Manage time/C2.1

#### Materials Required:

- Pen/pencil and paper and/or digital device

## Learner Information

In our work and everyday lives, we often calculate time. It is important to make sure we give ourselves enough time to get ready, travel between locations, or leave in time for appointments or meetings.

## Work Sheet

**Task 1: If a cake takes 45 minutes to bake and you put it in the oven at 2:00pm, when would it be ready?**

Answer:

---

**Task 2: If Joan starts working at 7:30am and she has her first break 2 ½ hours later, what time would her break start?**
