### Learner Information

Working with bills and invoices is one of the tasks you will face when you reach your goal of getting a job in the sales and service industry. This task will give you an opportunity to use several skills together and to see how they are used for preparing a bill for a customer.

### Learner Instructions

In this activity, you will play the part of a clerk in the customer service department of the Bradford Glass Company. Your instructor will be a customer coming to Bradford Glass to get some help. Your job is to prepare a work order / invoice for the job. Here is a list of things that will help you as you work through this demonstration.

- 1. Ask questions of the customer to get the information you need.
- 2. You may ask your customer for the spelling of any proper names that you are not sure of.
- 3. You may take rough notes during or after the conversation with your customer.
- 4. You will need to be familiar with the company price list in order to answer questions the customer will ask.
- 5. Use the form provided to write up the work order/invoice.
- 6. When you have completed writing up the invoice, go over the invoice with your customer so that they understand the charges.
