Prepared for: Cementing Integration Project – QUILL Learning Network 2015

Attitudes:

Practitioner,

We encourage you to talk with the learner about attitudes required to complete this task set. The context of the task has to be considered when identifying attitudes.

With your learner, please check one of the following:

Attitude is not important Attitude is somewhat important Attitude is very important

Task Title: Complete an Online Questionnaire

Individuals complete questionnaires online for a variety of reasons. One type of questionnaire will assess your personality and determine what your Briggs-Meyers personality type is. Many people take these types of personality questionnaires to better understand their strengths and weaknesses. Understanding these strengths and weaknesses can be beneficial to success both socially and on the job.

Learner Information and Tasks:

Task 1: Go to the website: <http://www.16personalities.com> (if this website is not available, do a Google search for “Myers personality test” and choose any site that has a free online personality test) and complete the online questionnaire.

Task 2: What is your personality type?

Task Title: Complete an Online Questionnaire
