**Task Title:** Reading a Store Flyer

**Task:** In this task, the learner is presented with a flyer from PharmaPlus advertising 8 products, all under \$6. The learner is required to show the amount, in bills and/or coins, they would give a sales clerk for each item. The learner will also estimate change.

**Instructions:** All instructions and tasks are to be read by tutor. Allow the learner a few moments to look over the flyer. Discuss with the learner what the flyer is advertising. If the learner is unable to read the text, the tutor should read the text (except the prices and days of the week.)

**Task 1:** What is the purpose of this flyer?

**Task 2:** Most flyers have a start and end date. What are the start and end dates for this sale?

**Task 3:** You need to buy bathroom tissue. Using the coins, show how much money you would give to the clerk to pay for it. Will you get any change back? Approximately how much change will you get back?

**Task 4:** Using the “Pharma Plus Flyer Information” sheet, write the prices of each item.
