Answer:

---

## Answers

### **Task 1: List two things women will learn in this program.**

Answer:

- Learn about the skilled trades
- Build their skills to get ready to apply to college pre-apprenticeship programs

### **Task 2: List two financial supports available to women participating in this program.**

Answer:

- Childcare
- Transportation

### **Task 3: This program is offered for women only. Based on your opinion, list two reasons why women might want to learn in a women-only program.**

There will be a variety of answers since this question is opinion-based. Answers might include, but aren't limited to:

- Some women have less experience in the skilled trades than men and would feel less intimidated
- Women have more in common with other women
- They might find it easier to ask questions in a women-only program
- Women might have a similar skill level
- Women face similar problems with childcare issues

### Performance Descriptors
